

SfGS meeting 2/01/07

EcoExpo

Purpose: Showcase group and individual current and past projects

Submissions can include:

Students engaged in current or past research projects, along the lines of an academic poster

Students engaged in current or past sustainability campaigns such as when they were in high school

Regenerator groups

Not people who want to do a project and are looking for funding to do it

Advertising-

Don't mention specifics on money

Apply for grant

First 25 that submit receive partial funding for posters (\$100 per poster through CopyTech)

We need to individually contact groups and professors

Groups worth contacting:

LfEE, Class community projects-Radu (S-Lab), Alternative Energy Sources IAP professor,

<http://student.mit.edu/@9324645.21045/catalog/search.cgi?search=sustainability&style=verbatim>

The event

Zero waste poster and snacks as well

Judges-

Costs:

Printing

Reservation Mounting Boards

Food

Our advertisement will be associated with Earth Day – maybe we can latch onto their funds?

Lynette will apply for student activities money by 15 Feb
